

**National Convention of the American Guild of Organists – Boston 2014**

**Panel on American Composers**  
**Larry King** presented by **Cherry Rhodes**

Unassuming yet a trailblazer, church musician and composer Larry King (1932–1990) used new sounds and musical styles in worship services, composed numerous choral works, and three intriguing and beautiful organ works (recently published) based on scriptural passages.

## TWO RECORDINGS AVAILABLE

### Organ and Choral Music of Larry King

Choir of Trinity Church, Wall Street (NY)

Larry King, organ

James A. Simms, Associate and Principal Conductor

Timothy Smith, organ

This is a re-mastered re-release of a recording published in 1992 of the music of Larry King (1932-1990). He was Organist and Music Director of Trinity Church (Wall Street) for 21 years, where he wrote many groundbreaking works for choir, organ and other instruments, including pre-recorded synthesizer sounds. This recording includes Larry King playing his three major organ works. The choral works were recorded after his departure from Trinity Church.
